Expressive Arts

WA Expressive Arts department aims to develop aesthetic sensitivity and creative ability in all pupils providing relevant and impactful opportunities that encourage students to develop their

Student-centred

23. **Westminster Academy has smaller class sizes.** Our class sizes enable maximum support and personalised learning for students at all levels.
24. **Westminster Academy students value one another.** “Students from a wide range of backgrounds and cultures get on well with each other and staff.” (Ofsted, 2013)
25. **Westminster Academy listens to the views of students and parents.** The Student and Parent Wellbeing Group provides parent to parent support and an accessible way for families to communicate with the Academy; the Parent Council and Academy Council are effective in ensuring that all views are taken into account by the senior leadership team.
26. **Westminster Academy students benefit from personal tutoring.** Westminster Academy students have a 1:1 tutorial with their personal tutor each week to review their progress.
27. **Westminster Academy students belong to vertical tutor groups within a House System.** Westminster Academy students and their families remain in the same tutor group and House throughout their time at the Academy. This enables friendships to stretch across year groups.
28. **Westminster Academy is inclusive.** The Academy was shortlisted for the IAA Inspired Approaches to Inclusion Award in 2013 as a result of the Academy’s focus on personalising learning for every student. “Disabled students and those who have special educational needs make outstanding progress.” (Ofsted, 2013)
29. **Westminster Academy keeps parents informed of their child’s progress.** Westminster Academy holds regular Progress Review Days and Parents’ Evenings plus Curriculum Evenings and Results Evenings. The SIMS Learning Gateway enables parents to monitor their child’s progress anywhere, anytime.
30. **Westminster Academy retains strong links and offers opportunities to ex-students.** WA has a growing alumni network with Future First and has offered former students job opportunities and internships, providing former students with valuable experience and providing younger students with successful role models.
31. **Westminster Academy values Careers Information and Guidance, providing personalised services to support students in planning their futures.** Specialist teachers

Opportunity

32. **Westminster Academy provides world-class opportunities for students to network with leaders in their fields.** Recent opportunities have ranged from politics with Newsround and biology with Professor Robert Winston, to animation with the Guardians of the Galaxy creators and media with Sir Ben Kingsley and Harrison Ford. *"I was impressed with the kids; I was impressed with their focus and their understanding and the wisdom of the questions that they were asking."* (Harrison Ford, 2013)
33. **Westminster Academy has international business partners.** Westminster Academy works with an array of business partners including M&S, Barclays, Bain, Crossrail and British Land, whose workshops and one to one mentoring programmes with students provide valuable career-related education. *"Targeted mentoring schemes with international businesses have widened students' horizons"*. (Ofsted, 2013)
34. **Westminster Academy has a unique advanced internship programme.** As part of the business and enterprise specialism, all Westminster Academy students undertake an internship once a week during Year 10 in prestigious firms such as the Serpentine Gallery, HSBC and AHMM Architects to encourage high aspirations and development of professional skills.
35. **Westminster Academy values enrichment.** Westminster Academy students can participate in challenging and stimulating activities every day such as art, medicine, drama, orchestra, debating, Chinese, Noether club, trips, university visits and a wide variety of sports including indoor rowing and beach volleyball. *"Students' spiritual, moral, social and cultural development is greatly enhanced by an outstanding range of extra-curricular activities. As a result, students have high aspirations for their futures."* (Ofsted, 2013)
36. **Westminster Academy has an award-winning building and world class sports facilities.** Our learning environment provides aspirational learning spaces for all our students both in and out of lessons. Westminster Academy is home to the world's first outdoor managed parkour venue, a beach volleyball court and professional, international standard pitches and courts.
37. **Westminster Academy provides opportunities for students to work collaboratively and independently during and after lessons and experience learning outside of the classroom.** Over 450 events and educational trips plus termly Enrichment Days took place last academic year to encourage the principle that learning is for life, not just for school.
38. **Westminster Academy is serious about sport and healthy eating.** The outstanding range of sporting activities available to students at lunch times and after school ensures students have regular exercise and has increased girls' participation in sport. Healthy meals made by our in-house catering team are very popular. Westminster Academy was highly commended in the TES Sports and Healthy Eating 2013 Awards and holds a Healthy Schools Bronze award.
39. **Westminster Academy students are leaders.** There are many opportunities for student leadership and taking on extra responsibility at Westminster Academy, such as through peer mentoring, the Academy Council, behaviour monitoring, peer mediating, Duke of Edinburgh and becoming a Student Ambassador.
40. **Westminster Academy students benefit through residential trips.** The Year 7 residential is an opportunity for the new cohort to develop friendships and work collaboratively on skills as part of the WA Baccalaureate.
