THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)
(A COMPANY LIMITED BY GUARANTEE)
DIRECTORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2013

The Directors present their annual report together with the accounts and auditors' report of the Westminster Academy (Westbourne Green) (the Academy) for the year ended 31 August 2013.

Constitution

The Academy is a company limited by guarantee incorporated in England on 15 April 2004 (no. 05102934) and is an exempt charity. The company's memorandum and articles of association are the primary governing documents of the Academy. Members of the company are nominated by the sponsors of the Academy (The Exilarch's Foundation) and by the Secretary of State for Education.

The affairs of the Academy are conducted by the Directors. Governance of the Academy is achieved through the Governing Body of the Academy which is a committee of the Board of Directors.

Details of the Governors and the Directors who served throughout the year except as noted are included in the Governance Statement on page 8.

The Secretary of the Company who served during the year was Elie Dangoor.

Members' Liability

Each member of the Academy undertakes to contribute to the assets of the Academy in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before they ceased to be a member.

Governors' Indemnities

In accordance with normal commercial practice, and in performing their role as Directors of the Academy, Governors have various statutory and common law duties, breaches of which could give rise to personal liability. An insurance policy is in place which, subject to the terms and limits of the policy, will indemnify Governors in respect of claims made against them and associated costs. This should mean that Governors who have acted honestly, reasonably and in good faith (both individually and collectively) will not have to meet out of their own personal resources any personal civil liability which may be incurred in execution or purported execution of their Governing Body functions. The insurance provides cover up to £2,000,000 on the aggregate of all claims in the year.

Principal Activities

The principal activity of the Academy is to advance, for the public benefit, education in the United Kingdom by establishing, maintaining, operating and developing one or more secondary schools offering a broad curriculum with a specialism of International Business and Enterprise.

Method of recruitment and appointment or election of Governors

The minimum number of Directors is 3. There is no maximum number. The Directors may appoint staff Governors through such process as they may determine, usually by secret ballot, provided that the total number of Governors (including the Principal) who are employees of the Academy does not exceed one third of the total number of Governors. The Local Authority may appoint up to 1 Governor. The Principal shall be treated for all purposes as being an ex-officio Governor. There may be up to 2 parent Governors who shall be elected by parents of registered students at the Academy. The Governors may appoint up to 3 co-opted Governors.

Policies and Procedures Adopted for the Induction and Training of Governors

The policies and procedures for the recruitment, induction and training of Governors are available from the Clerk to the Governors.

Organisational Structure

The Governing Body determines the general policies and procedures of the Academy. The internal organisation and management of the Academy is delegated to the Principal supported by the Principal's Group, of which the Principal is a member. The Principal's Group undertakes the key leadership role overseeing educational and administrative functions in consultation with senior staff. The day-to-day administration of the Academy is undertaken within the policies and procedures approved by the Governing Body. The Principal oversees the recruitment of all educational, administration and support staff and attends all Directors and Governing Body meetings as well as Committee meetings.

Risk Management

The Directors have assessed the major risks to which the Academy is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Academy, and its finances (a register of risk is kept and is updated for each Audit Committee meeting). The Directors have implemented a number of systems to assess risks that the Academy faces, especially in the operational areas (e.g. in relation to professional, financial, legal, physical, contractual, technological and environmental) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. data protection and safeguarding information) and internal financial controls in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover.

The Directors have also carefully considered a specific internal audit function and appointed Mr Umer Siddiqi as the Responsible Officer (RO) who performs a range of financial checks. He reports formally to the Audit Committee on the operation of the system of control. The Directors accept these arrangements to provide reasonable, but not absolute, assurance that assets are safeguarded and transactions are authorised and properly recorded and that internal errors or irregularities are either prevented or detected in a timely basis.

In 2012-13 the Academy implemented a new Risk Management Strategy. This improved the Academy's ability to manage risk. The major risks in 2012-13 were:

- Demand risk. This concerns student numbers vis a vis new Free Schools and Sixth Form Academies. To manage these, the Academy has kept a watching brief and fostered strong links with Primary Schools and developed a robust Sixth Form curriculum.
- Funding risk. This concerns current and future funding levels. The Academy is directly engaging with the Education Funding Agency (EFA) to mitigate this risk.
- Organisational Change risk. The Academy has confirmed that the staff restructuring has been completed but the risk of increased teaching costs in the face of unsatisfactory academic results continues to be a risk factor.

Connected Organisations, including Related Party Relationships

Owing to the nature of the Academy's operations and the composition of the Board of Governors being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the Board of Governors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy's financial regulations and normal procurement procedures.

Objectives, Activities, Aims and Strategies

The principal objectives and activities of the Academy are the development and operation of the Westminster Academy to provide education for pupils of different abilities between the ages of 11 and 18 with a specialism of International Business and Enterprise. The main objectives of the Academy are summarised below:

- To raise the standard of education achievement of all pupils;
- To ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- To improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review;
- To provide value for money for the funds expended;
- To comply with all appropriate statutory and curriculum requirements;
- To maintain close links with industry and commerce;
- To conduct our business in accordance with the highest standards of integrity, probity and openness.

Public Benefit

In setting the Academy's objectives and planning its activities, the Governors have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

Developments, Activities and Achievements

The Academy started its seventh year of operation in September 2012. The post of Principal has been held throughout the year by Ms.Smita Bora.

The year has again been a challenging one for the Academy, with joint objectives of continuing to control expenditure to maintain a small surplus going hand in hand with a drive to maintain a high quality provision of education.

The summer 2013 examination results were very good for both Sixth Form students and Year 11 students. 80% of Sixth Form students achieved grades A - C at 'A' Level with 100% of students who applied to go to university being successful in gaining a place. 95% of Year 11 students achieved five or more A*-C grades in their GCSEs with 69% achieving five or more A*-C grades including English and Mathematics.

During the year Ofsted inspected the Academy's activities and rewarded the Academy with an overall outstanding assessment.

FOR THE YEAR ENDED 31 AUGUST 2013

Curriculum Planning

- The curriculum model continues to support the Academy in its objective of delivering the Academy's specialism of International Business and Enterprise to 1,175 students aged 11 - 18 in 2013-14.
- The timetable for the year beginning in September 2013 was produced through a consultation process with staff and students. This was issued to staff in July 2013.
- The curriculum model takes into account the strategic plan, policies, routines, procedures, staffing structures and job descriptions.
- The strategic plan for the Academy has been updated throughout the year to reflect staffing changes in the Senior Leadership Team.
- The procurement of appropriate teaching and learning resources continued throughout the year.
- The International Baccalaureate Diploma Programme, introduced in September 2008, continues to be popular with students and has delivered some outstanding results.

Staffing

- Staff training continued to be a high priority throughout 2012-13, linked to the Academy's Personal and Professional Development (PPD) strategy.

Students

- The admissions process for Year 7 in September 2012 was administered by Westminster City Council, through the pan-London Central Admissions System. 386 applications had been received for 180 available places for the September 2012 intake.
- The Spring 2013 school census recorded a total of 994 students in Years 7 - 13. The Academy continues to take "Hard to Place" students and "Pupils without School Places" (PWSP).
- In the Spring 2013 census, 874 (out of 994) students had a first language other than English. 537 Students were eligible for free school meals.
- The Academy Council and House Councils continued to ensure the involvement of the students in decision-making processes.
- The Academy's admissions policy, contained in its Funding Agreement with the Department for Education, requires the Academy to follow the standard pan-London admissions process. Special Educational Needs students with statements, Looked After Children and siblings are prioritised thus protecting the most vulnerable families. The remaining students are admitted according to their residential distance from the Academy thus ensuring an intake which reflects the local community.

The Wider Community

- Parents continued to be involved with their children's progress through regular progress review days, parents' evenings and the web-based SIMS system. Monthly newsletters were also sent to parents.
- Through working with Westminster Community Partnerships and local enterprise agencies, strong links are maintained with over 250 local businesses, to enable the development of the Academy's internship programme.
- The Principal is on the Board of both the Westbourne Forum and the Paddington Development Trust.
- Academy Sport continued to be successful with on average 9,000 users a month coming from the wider community including local primary schools.
- Community use of The Naim Dangoor Centre, Harrow Road continued to develop throughout the year to further increase community, educational and social activities.

Liaison with the Department for Education (DfE)/EFA

- Meetings with the DfE continued throughout 2012-13. Ms Abi Rotimi who was the Academy's Liaison Officer at the DfE/EFA during 2011-12 left the EFA during 2012-13 and was not replaced. The Academy's financial contact at the EFA is Mr Mike Fenton.

Awards for the Academy

- Specialist School and Academies Trust Future Vision Award 2007
- BCSE Industry Award for Inspiring Design-Secondary School 2008
- Best Incorporation of Daylight Award, Lighting and Architecture Foundation Awards 2008
- Designshare Citation Award 2008

- Civic Trust Award 2009
- International Schools Award 2009
- TES Secondary School of the Year Award 2013
- Lord Adonis' Most Transformed Academy 2013
- Deputy Prime Minister's Pupil Premium Award 2013

Going Concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Academy has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Key Financial Performance Indicators

The Key Performance Indicators used by the directors to assess the performance of the Academy against their stated objectives are as follows:

	2013	2012
Staffing costs as a percentage of main grant income	69.52%	82.31%
Average teaching costs per pupil	£5,257	£5,842

Operating and Financial Review

The Academy's main source of income is derived from the EFA. The grants received during the year ended 31 August 2013 and the associated expenditure are shown in the Statement of Financial Activities on page 18.

Capital grants (restricted) of £250,000 were received from the EFA in the year for the improvement of the ventilation system. The restricted fixed asset fund is reduced by annual depreciation charges over the expected useful lives of the assets concerned.

Unrestricted incoming resources for the year amounted to £519,698 against net expenses incurred of £404,155 resulting in a surplus for the year of £115,543. There is an overall surplus of £122,019 carried forward at the end of the year.

Restricted general funds received amounted to £10,127,582 and comprised mainly of the General Annual Grant (GAG) receivable from EFA. Restricted general fund expenditure for the year amounted to £9,457,338 giving rise to a surplus on restricted general funds of £670,244. The Academy spent £346,756 on computer equipment and a transfer was made to the restricted fixed asset funds from restricted general funds, in support of this expenditure. This leaves a restricted general fund surplus of £323,488 for the year. Included in the current year expenditure is an adjustment of £6,000 in order to satisfy the requirements of FRS17, Retirement Benefits, in relation to the Academy's pension scheme liabilities. If the pension adjustment of £6,000 is excluded, the surplus for the year was £329,488 and when taken together with the brought forward surplus of £92,239, there is a surplus of £421,727 carried forward on the restricted general funds (excluding pension adjustments).

At the year end, the Academy's pension liability is a proportion of the City of Westminster Fund and is valued in line with FRS17. Restricted general funds also include the Academy's share of these pension liabilities of £1,043,500. This is represented by the liability of £1,280,500 brought forward at 1 September 2012, the adjustment of £6,000 for the pension cost and an actuarial gain of £243,000 on the pension scheme.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

At 31 August 2013, the net book value of fixed assets was £27,923,701 and movements in tangible fixed assets are shown in notes 12 and 13 to the accounts. These assets are used by the Academy in order to provide education and associated support services to pupils of the Academy and the wider community.

In order to comply with best accounting practice, the Academy's financial results for the year to 31 August 2013 include a provision for clawback of funding received from the EFA.

DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2013

Reserves Policy

The Directors have delegated to the Governors the responsibility to review the reserve levels of the Academy on a regular basis. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Directors' view is that free reserves should provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies. The Academy's current level of free reserves (total funds less amounts held under fixed assets and other restricted funds) is a surplus of £122,019. The level of reserves at the year end has increased compared to the previous year and the Academy intends to continue building up free reserves in the future.

The deficit on the Local Government Pension Scheme does not mean that an immediate liability crystallises. The deficit results in a cash flow effect for the Academy in the form of possible future increases in pension contributions, which, if required, will be met from the budgeted annual income. There is therefore no direct impact on the free reserves of the Academy because of recognising the deficit.

Investment policy

The Directors' investment powers are governed by the memorandum and articles of association. There are currently no funds available for long term investment and any surplus funds which are retained are placed on short term deposit.

Future Plans

It is the intention to raise the standards of Teaching and Learning within the Academy by catering for all students via personalised learning, meeting the needs of mainstream, gifted and talented and special educational needs students. Additionally, Science will be targeted next year.

Disclosure of information to auditors

In so far as the Directors are aware:

- there is no relevant audit information of which the Academy's Auditors are unaware; and
- the Directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Auditors are aware of that information.

Auditors

A resolution proposing that Citroen Wells be re-appointed as auditors will be put to the members.

GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2013

Scope of Responsibility

The Governing Body acknowledges that it has overall responsibility for ensuring the Academy, being The Westminster Academy (Westbourne Green), has an effective and appropriate administrative system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Governing body has delegated the day-to-day responsibility to the Principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between the Academy and the Secretary of State for Education. She is also responsible for reporting to the Governing body any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Directors' Report and in the Statement of Directors' responsibilities. The Governing Body has formally met five times during the year.

The Finance and General Purposes Committee is a sub-committee of the main Governing Body. Its purpose is to:

- receive and monitor the Academy's financial reports;
- review the draft Budget Plan and make recommendations to the Governing Body for approval;
- agree contracts and purchases within the level of its delegated authority;
- agree virements within the Budget within the level of its delegated authority;
- ensure appropriate resourcing of the Strategic Plan targets;
- monitor reports with regard to the separate trading company, Academy Community (once it starts its trading activities);
- monitor the application of the Agreement with the City of Westminster Council with regard to the activities of Academy Sport;
- receive and review Reports of the Academy's Health and Safety Committee, of Health and Safety inspections with regard to the maintenance upkeep and renewal of the premises and equipment;
- receive and monitor reports with regard to HR/staffing matters including pay performance management, discipline and employment related issues; and
- review and approve from time to time all policy statutory or other documents relating to the Committee's roles and responsibilities.

Neil McNaughton attended the Committee's meeting on 6 June 2013 as a Non-Committee Governor.

The Audit Committee is also a sub-committee of the main Governing Body and is an advisory body with no executive powers. Its main functions are to:

- help promote the highest standards of propriety in the use of public funds and encourage proper accountability for the use of those funds;
- promote a climate of financial discipline and control which will help to reduce the opportunity for financial mismanagement;
- promote the development of internal controls systems which will help satisfy the Governing Body that the Academy will achieve its objectives and targets and is operating in accordance with any statutory requirements for the use of public funds within delegated authorities laid down by the Governing Body and the Academy's own rules on which matters should be referred to the Governing Body; and in a manner which will make most economic and effective use of resources available.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place at the Academy for the year ended 31 August 2013 and up to the date of approval of the annual report and accounts.

Capacity to Handle Risk

The Governing Body has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Governing Body is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy's significant risks that has been in place for the year ended 31 August 2013 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Governing Body.

The Risk and Control Framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Governing Body;
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

The Governing Body has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Governors have re-appointed Mr Umer Siddiqi as an external consultant. His role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems. The external consultant reports to the Governing Body three times a year on the operation of the systems of control and on the discharge of the Governing Body's financial responsibilities.

The Governing Body confirms that the external consultant has delivered his schedule of work as planned and in line with the EFA's requirements and that no material control issues arose as a result of the external consultant's work.

Review of Effectiveness

As Accounting Officer, Ms Smita Bora has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the RO;
- the work of the external Auditor;
- the financial management and governance self-assessment process; and
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and General Purpose Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE
FOR THE ENDED 31 AUGUST 2013

As Accounting Officer of the Westminster Academy I have considered my responsibility to notify the Academy Trust Governing Body and the EFA of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook.

I confirm that I and the Academy Governing Body are able to identify any material irregular or improper use of funds by the Academy, or material non-compliance with the terms and conditions of funding under the Academy's Funding Agreement and the Academies Financial Handbook.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date.

STATEMENT OF DIRECTORS' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2013

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with the Annual Accounts Direction issued by the EFA, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Academy and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Academy will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Academy's transactions and disclose with reasonable accuracy at any time the financial position of the Academy and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Academy and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for ensuring that, in its conduct and operation, the Academy applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DfE have been applied for the purposes intended.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Academy's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

We have audited the accounts of The Westminster Academy (Westbourne Green) for the year ended 31 August 2013 set out on pages 18 to 41. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditors

As explained more fully in the statement of Directors' responsibilities on page 13, the Directors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the accounts

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Directors' Annual Report to identify material inconsistencies with the audited accounts. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on accounts

In our opinion the accounts:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2013 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the financial reporting framework including the Accounts Direction 2013 issued by the EFA.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the accounts are prepared is consistent with the accounts.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

(A COMPANY LIMITED BY GUARANTEE)
INDEPENDENT REPORTING AUDITORS' ASSURANCE REPORT**

**ON REGULARITY TO THE WESTMINSTER ACADEMY (WESTBOURNE GREEN) AND
THE EDUCATION FUNDING AGENCY**

In accordance with the terms of our engagement letter and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2013, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Westminster Academy (Westbourne Green) during the period from 1 September 2012 to 31 August 2013 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Westminster Academy (Westbourne Green) and the EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the The Westminster Academy (Westbourne Green) and the EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Westminster Academy (Westbourne Green) and the EFA, for our work, for this report, or for the conclusion we have formed.

**Respective responsibilities of The Westminster Academy (Westbourne Green)'s Accounting Officer
and the Reporting Auditor**

The Accounting Officer is responsible, under the requirements of The Westminster Academy (Westbourne Green)'s Funding Agreement with the Secretary of State for Education dated 28 March 2007 and the Academies Financial Handbook, extant from 1 September 2012, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2013. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period from 1 September 2012 to 31 August 2013 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2013 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

(A COMPANY LIMITED BY GUARANTEE)
INDEPENDENT REPORTING AUDITORS' ASSURANCE REPORT (CONTINUED)
ON REGULARITY TO THE WESTMINSTER ACADEMY (WESTBOURNE GREEN) AND
THE EDUCATION FUNDING AGENCY

The work undertaken to draw to our conclusions includes:

- a review and evaluation of the general control environment of the Academy, with a particular focus on controls to ensure the regularity of transactions;
- the implementation and operation of controls by performing substantive testing and analytical review procedures, as part of our standard statutory audit engagement, that also gave us assurances relevant for this report on regularity;
- holding discussions with the Accounting Officer to determine evidence used to support her declaration with regard to regularity and impropriety;
- testing of a sample of payments to staff to confirm that all transactions requiring prior clearance from the Secretary of State were correctly approved (or that there were no such transactions)
- testing of a sample of payments to suppliers and other third parties regarding procurement activity, to ensure this has been in accordance with Annex 4.6 of Managing Public Money;
- a review of minutes of various committees and other evidence made available to us relevant to our consideration of regularity;
- requesting and receiving confirmation from the EFA that there is no information that they are aware of that may impact upon the planning and subsequent delivery of the regularity assurance engagement.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period from 1 September 2012 to 31 August 2013 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 AUGUST 2013

1 Accounting policies

1.1 Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), the Statement of Recommended Practice: 'Accounting and Reporting by Charities' ('SORP 2005'), the Academies Accounts Direction issued by the EFA and the Companies Act 2006. A summary of the principal accounting policies, which have been applied consistently, except where noted, is set out below.

1.2 Going Concern

The Directors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast doubt on the ability of the Academy to continue as a going concern. The Directors make this assessment in respect of a period of one year from the date of approval of the accounts.

The Academy's forecasts and projections, taking account of reasonable possible changes to student numbers and expenditure in the business plan, show that the Academy should be able to operate within its current available funds. The Directors therefore have a reasonable expectation that the Academy has adequate resources to continue for the foreseeable future and therefore adopt the going concern basis in preparing the annual accounts.

1.3 Incoming resources

All incoming resources are recognised when the Academy has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Grants receivable

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where grants are received in advance of entitlement, their recognition is deferred and they are included in creditors as deferred income. Where entitlement occurs before grants are received, grants are accrued and shown under debtors as accrued income.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund. Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income

Sponsorship income provided to the Academy which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable, where there is certainty of receipt and it is measurable.

Donations

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Interest receivable

Interest receivable is included within the statement of financial activities on a receivable basis.

(A COMPANY LIMITED BY GUARANTEE)

FOR THE YEAR ENDED 31 AUGUST 2013

1 Accounting Policies

(continued)

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Resources expended

All expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Costs of Generating Funds

These are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable Activities

These are costs incurred on the Academy's educational operations.

Governance costs

These include the costs attributable to the Academy's compliance with constitutional and statutory requirements, including audit, strategic management and Governors' meetings and reimbursed expenses.

All resources expended are shown net of VAT.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation and any provision for impairment. Assets over £1,000 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the Government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet.

Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to write them down to their estimated residual values over their expected useful lives from when they are first brought into use. The annual rates used for each class of asset are:

Leasehold property	2% on straight line basis
Computer equipment and software	33.33% on straight line basis
Fixtures and fittings	25% on straight line basis

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.6 Leasing and hire purchase commitments

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

1.7 Investments

The Academy's shareholding in the wholly owned subsidiary, Academy Community Limited (ACL), is included in the balance sheet at the cost of the share capital owned. ACL has remained dormant since its incorporation.

1.8 Stock

Unsold stock of uniforms is valued at the lower of cost and net realisable value.

1.9 Pensions

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme (TPS) and the Local Government Pension Scheme (LGPS). These are defined benefit schemes and the assets are held separately from those of the Academy.

Teachers' Pension Scheme

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in Note 16, the TPS is a multi employer scheme and the Academy is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

Local Government Pension Scheme

The LGPS is a funded scheme and the assets are held separately from those of the Academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the Statement of Financial Activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period until vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

1.10 Accumulated funds

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Directors.

Restricted fixed asset funds are resources which are to be applied for specific capital purposes imposed by the Education Funding Agency, Department for Education or sponsor where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education Funding Agency and Department for Education.

1.11 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively for charitable purposes.

2 General Annual Grant (GAG)

Under the funding agreement with the Secretary of State the Academy was subject to limits at 31 August 2013 on the amount of GAG that could be carried forward from one year to the next. An amount equal to 12% of GAG could be carried forward, of which up to 2% could be used for general recurrent purposes, with any balance being available for premises/capital purposes.

The Academy has not exceeded these limits during the year ended 31 August 2013.

11 Governors and Directors

The Principal, who is also a Governor of the Academy, only receives remuneration in respect of services she provides in undertaking her employment role for the Academy and not in respect of her services as a Governor. The other Governors did not receive any payments or expenses from the Academy in respect of their roles as Governors.

The Principal is the highest-paid Director and her remuneration was as follows:

	2013	2012
	£	£
Gross salary	105,000	105,000
Pension contributions	14,805	14,805
	<u>119,805</u>	<u>119,805</u>

In accordance with normal commercial practice, and in performing their role as Directors of the Academy, Governors have various statutory and common law duties, breaches of which could give rise to personal liability. An insurance policy is in place which, subject to the terms and limits of the policy, will indemnify Governors in respect of claims made against them and associated costs. This should mean that Governors who have acted honestly, reasonably and in good faith (both individually and collectively) will not have to meet out of their own personal resources any personal civil liability which may be incurred in execution or purported execution of their Governing Body functions. The insurance provides cover up to £2,000,000 on the aggregate of all claims in the year and the cost for the year ended 31 August 2013 was £500. The cost of this insurance is included in the total insurance cost.

16 Pension costs

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by the Local Pension Fund Authority. Both are defined-benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS was 31 March 2004 and of the LGPS 31 March 2010.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010). These regulations apply to teachers in schools that are maintained by Local Authorities and other educational establishments, including academies, in England and Wales. In addition teachers in many independent and voluntary-aided schools and teachers and lecturers in some establishments of further and higher education may be eligible for membership. Membership is automatic for full-time teachers and lecturers and from 1 January 2007 automatic too for teachers and lecturers in part-time employment following appointment or a change of contract. Teachers and lecturers are able to opt out of the TPS.

The Teachers' Pension Budgeting and Valuation Account

Although members may be employed by various bodies, their retirement and other pension benefits are set out in regulations made under the Superannuation Act (1972) and are paid by public funds provided by Parliament. The TPS is an unfunded scheme and members contribute on a "pay as you go" basis – these contributions along with those made by employers are credited to the Exchequer under arrangements governed by the above Act.

The Teachers' Pensions Regulations require an annual account, the Teachers' Pension Budgeting and Valuation Account, to be kept of receipts and expenditure (including the cost of pensions' increases). From 1 April 2001, the Account has been credited with a real rate of return, which is equivalent to assuming that the balance in the Account is invested in notional investments that produce that real rate of return.

Valuation of the Teachers' Pension Scheme

At the last valuation, the contribution rate to be paid into the TPS was assessed in two parts. First, a standard contribution rate (SCR) was determined. This is the contribution, expressed as a percentage of the salaries of teachers and lecturers in service or entering service during the period over which the contribution rate applies, which if it were paid over the entire active service of these teachers and lecturers would broadly defray the cost of benefits payable in respect of that service. Secondly, a supplementary contribution is payable if, as a result of the actuarial review, it is found that accumulated liabilities of the Account for benefits to past and present teachers, are not fully covered by standard contributions to be paid in future and by the notional fund built up from past contributions. The total contribution rate payable is the sum of the SCR and the supplementary contribution rate.

(continued)

The last valuation of the TPS related to the period 1 April 2001 to 31 March 2004. The Government Actuary's report of October 2006 revealed that the total liabilities of the Scheme (pensions in payment and the estimated cost of future benefits) amounted to £166,500 million. The value of the assets (estimated future contributions together with the proceeds from the notional investments held at that valuation date) was £163,240 million. The assumed real rate of return was 3.5% in excess of prices and 2% in excess of earnings. The rate of real earnings growth was assumed to be 1.5%. The assumed gross rate of return was 6.5%. From 1 January 2007, the SCR was assessed at 19.75%, and the supplementary contribution rate was assessed to be 0.75% (to balance assets and liabilities as required by the regulations within 15 years). This resulted in a total contribution rate of 20.5%, which translated into an employee contribution rate of 6.4% and employer contribution rate of 14.1% payable.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, the design of benefits and many other factors. Many of these assumptions are being considered as part of the work on the reformed TPS, as set out below. Scheme valuations therefore remain suspended. The Public Service Pensions Bill, which is being debated in the House of Commons, provides for future scheme valuations to be conducted in accordance with Treasury directions. The timing for the next valuation has still to be determined, but it is likely to be before the reformed schemes are introduced in 2015.

Teachers' Pension Scheme Changes

Lord Hutton published his final report in March 2011 and made recommendations about how pensions can be made sustainable and affordable, whilst remaining fair to the workforce and the taxpayer. The Government accepted Lord Hutton's recommendations as the basis for consultation and Ministers engaged in extensive discussions with trade unions and other representative bodies on reform of the TPS. Those discussions concluded on 9 March 2012 and the Department published a Proposed Final Agreement, setting out the design for a reformed TPS to be implemented from 1 April 2015.

The key provisions of the reformed scheme include: a pension based on career average earnings; an accrual rate of 1/57th; and a Normal Pension Age equal to State Pension Age, but with options to enable members to retire earlier or later than their Normal Pension Age. Importantly, pension benefits built up before 1 April 2015 will be fully protected.

In addition, the Proposed Final Agreement includes a Government commitment that those within 10 years of Normal Pension Age on 1 April 2012 will see no change to the age at which they can retire, and no decrease in the amount of pension they receive when they retire. There will also be further transitional protection, tapered over a three and a half year period, for people who would fall just outside of the 10 year protection.

In his interim report of October 2010, Lord Hutton recommended that short-term savings were also required, and that the only realistic way of achieving these was to increase member contributions. At the Spending Review 2010 the Government announced an average increase of 3.2 percentage points on the contribution rates by 2014-15. The increases were to be phased in from April 2012 on a 40:80:100% basis.

Under the definitions set out in Financial Reporting Standard (FRS 17) Retirement Benefits, the TPS is a multi-employer pension scheme. The academy is unable to identify its share of the underlying assets and liabilities of the scheme. Accordingly, the academy has taken advantage of the exemption in FRS 17 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with the assets held in separate trustee administered funds.

The total contribution made for the year ended 31 August 2013 was £124,129 (2012: £109,593) of which employer's contributions totalled £89,503 (2012: £66,337) and employees' contributions totalled £34,626 (2012: £43,256). The agreed contribution rates for future years are 10.3% for employers and between 5.5% and 7.5% for employees.

The following information is based upon a full actuarial valuation of the fund at 31 March 2010, updated to 31 August 2013 by a qualified independent actuary.

The major assumptions used by the actuary were:	2013 %	2012 %	2011 %
Rate of increase in salaries	5.10	4.70	5.10
Rate of increase in pensions payment	2.90	2.20	2.70
Discount rate	4.70	4.20	5.40
Inflation assumption	3.70	3.20	3.60

Sensitivity analysis

The following table sets out the impact of a small change in the discount rates on the defined benefit obligation and projected service cost along with a +/- 1 year age rating adjustment to the mortality assumption.

Restricted General Fund

The Restricted General Funds comprise of funds received from EFA and other local government bodies and are used to finance ongoing expenditure of the normal day to day educational activities of the Academy. Under the funding agreement with the Secretary of State, the Academy was subject to a limit on the amount of GAG that it could carry forward at 31 August 2013. Note 2 discloses whether the limit was exceeded.

Restricted Fixed Asset Fund

The Restricted Fixed Asset Funds comprise funds received from EFA and the principal sponsor and have been used to finance the construction costs of the Academy and other facilities as well as funding all other fixed asset acquisitions.

Pension Reserve Fund

The Pension Reserve relates to the Academy's share of the deficit of the Westminster City Council Local Government Pension Scheme.

The deficit on the LGPS does not mean that an immediate liability crystallises. The deficit results in a cash flow effect for the Academy in the form of possible future increases in pension contributions, which, if required, will be met from the budgeted annual income. There is therefore no direct impact on the free reserves of the Academy because of recognising the deficit.

It should also be noted that the DfE have released the following statement with regards to the LGPS liabilities:

"Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013."

Each member of the Academy undertakes to contribute to the assets of the Academy in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

25 Related parties

Owing to the nature of the Academy's operations and the composition of the Board of Governors being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the Board of Governors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy's financial regulations and normal procurement procedures.

During the year the Academy received a donation of £15,000 from Exilarch Foundation, a charity in which David Dangoor is a trustee.

During the year the Academy received a donation of £6,780 from the Principal, Ms Smita Bora.

During the year ended 31 August 2013, Mary Amayo, a director, was charged £190 for the hire of facilities from the Academy and this amount was outstanding at the year end.
